👤 Abu Kowsar - Google Scholar

Results-driven **International Project Manager** with 12+ years of experience delivering **large-scale digital transformation, AI, and e-government programs** across public and private sectors. Proven expertise in managing **multi-million-dollar portfolios, cross-border stakeholders, and multi-vendor ecosystems**.

- Scaling digital services to **10M+ users**
- Driving **30–40% efficiency gains**
- Leading **Agile, Hybrid, and PMO transformations**

Professional Experience

Programmer | Technical Project Lead

Dept. of ICT, ICT Division, Ministry of Posts Telecommunications and IT | 2019–Present

- Led **40+ national digital transformation and e-government projects**, serving over **10 million citizens**
- Directed multi-stakeholder programs involving ministries, development partners, and vendors
- Improved operational efficiency by **30%** and reduced system downtime by **40%** through infrastructure modernization
- Established **Agile delivery frameworks** across government teams, accelerating project turnaround
- Ensured compliance with national ICT policies, cybersecurity standards, and interoperability frameworks

Assistant Programmer | Project Delivery Lead

PDB, RDCCD, Ministry of LGED and Co-operative | 2015–2019

- Delivered ERP and enterprise systems aligned with national standards and public sector requirements
- Coordinated distributed development teams, ensuring timely delivery of complex ICT solutions
- Implemented **risk control mechanisms and structured project governance practices**
- Contributed to digitization initiatives improving service delivery efficiency.

Technical Project Manager | Project Coordinator

Bangladesh Canada Friendship Tech Ltd. | 2013–2015

- Managed full **product lifecycle** from concept to deployment for multiple software solutions
- Translated business requirements into **technical roadmaps and sprint plans**
- Led Agile ceremonies, backlog prioritization, and engineering coordination
- Delivered high-quality releases under tight deadlines in a fast-paced environment

Key Projects

- **National Fact Checking Engine:** Automatically detect and verify false or misleading information where cross-checks news, social media posts, and images across trusted databases and verified media outlets. Provides a clear verdict either True, False, Misleading, or Partially True.
- **LLM Bangla AI Platform:** Bangla AI is a Bangladesh-centric language technology and artificial intelligence platform dedicated to advancing the use of Bangla (Bengali) in AI-powered digital services.
- **National STEM & AI Platform:** The core mission of STEM-AI is to democratize access to high-quality, future-ready technical knowledge by presenting complex concepts in a structured, practical, and contextually relevant manner.

Core Competencies
Project Management: Agile, Scrum, Hybrid, PMO Setup, Risk Mitigation, Stakeholder Management. AI & Emerging Tech: Generative AI Integration, MLOps Collaboration, Fact-Checking Engines. Cloud & Infrastructure: AWS, Azure, GCP, Docker, Digital Workplace Acceleration. Technical Stack: React, Node.js, Python, SQL, Power BI, Tableau, Jira
Professional Certifications
Project Management Professional (PMP) PMI — 2020 PMI Agile Certified Practitioner (PMI-ACP) PMI — 2020 Microsoft Power BI Microsoft — 2024 IBM AI Developer Professional Coursera — 2025 Lean Six Sigma White Belt CSSC — 2025 Artificial Intelligence of Things NIPA_K-Link — 2025 X-Road Central Server Administrator X-Road — 2025 Oracle Cloud Infrastructure 2025 Certified AI Foundations Associate Oracle — 2026 Cloud Tech Jumpstart Oracle — 2026
Educational Qualifications
Postgraduate Diploma in ICT Bangladesh Computer Council (BCC) M.Sc. in Computer Science & Engineering Islamic University, Bangladesh B.Sc. in Computer Science & Engineering Islamic University, Bangladesh
Presentations
PMI Workshop on Innovation and Creativity 2024 Generative AI Overview for Project Managers (PMI) 2023 Enterprise Generative AI (Google Cloud) 2023 AWS Cloud Practitioner Essentials 2022 Dell Digital Workplace Acceleration 2022 Misinformation, Fact-checking and Credibility (DSA) 2021 Modern Cyber Security (BCS) 2021 Rise of Agile (PMI) 2020
Publications
